VISION-

To provide students with the knowledge, skills and virtues to reach their full potential as a responsible, productive citizen in a changing diverse world.

MISSION-

Community
Character (social/emotional)
Diverse learning process
Strong foundation in Core Knowledge
Sustainability

BELIEF STATEMENT-

Learning as a continuum- approached differently for each student.

The process of learning is as important as what they learn.

-hands on supports the application process

-a pragmatic approach to teaching methods

Social/Emotional- character elements that reflect local and national views

-having a sense of where they “fit” in the community (both local and world)

Access to world class technology (DSL) for all families.

Life is both giving and receiving. Character is not an old fashioned ideal.

*Character- self respect, empathy
