## PERMISSION TO LEAVE CAMPUS

### \*High School Students Only\*

My Student: \_\_\_\_\_, has my standing permission to leave the school campus during the high school lunch break.

However, it is my understanding this permission applies to my student, only if he/she remains eligible. If my student is ineligible, he/she may not leave the campus at noon.

I also understand this applies only to walking. Vehicles, if driven to school, must remain on school property during lunch break.

Signature of both parents/guardians in the household is required on this form.
